Monday - Friday: 7 a.m. - 4 p.m.
Saturday: 7 a.m. - Noon

Duties of the Department

The Solid Waste Department's mission is to provide the residents of Lawrence County with an economical and environmentally sound solid waste disposal options and recycling avenues. This mission is accomplished through the operation of the county transfer stations. We are also responsible for maintaining the County's landfill.

Goals and Objectives

The Solid Waste Department strives to keep our county clean and to return as much money back to the county's budget by recycling.
